June 23 2023

Dear Sir/Madam:

Actuarial Seminar of East Asia 2023 (ASEA 2023)

We are pleased to announce that the Institute of Actuaries of Japan (IAJ) will hold the ASEA 2023 in September. The outline of the seminar is attached.

We would appreciate it if you could recommend one of your actuaries to the seminar and send back the application form along with other required documents. The deadline of the application is **July 26 2023** and all the documents must arrive at the Institute of Actuaries of Japan by then. The application arrived after the deadline will not be accepted for any reason. After the deadline, we will have a screening process and inform you of the result of the screening in the beginning of August via e-mail.

In order to accept participants from as many countries/regions as possible, and also due to capacity limit, we may regretfully restrict the maximum number of participants from one country/region to 4 and from one company to 1.

If you have any questions, please feel free to contact us at asea@actuaries.jp.

We look forward to receiving your response.

Yours faithfully,

Yasushi Ueda
President
The Institute of Actuaries of Japan
