

Health and Retirement Conference 2014

“Peace of Mind for Today and Tomorrow”

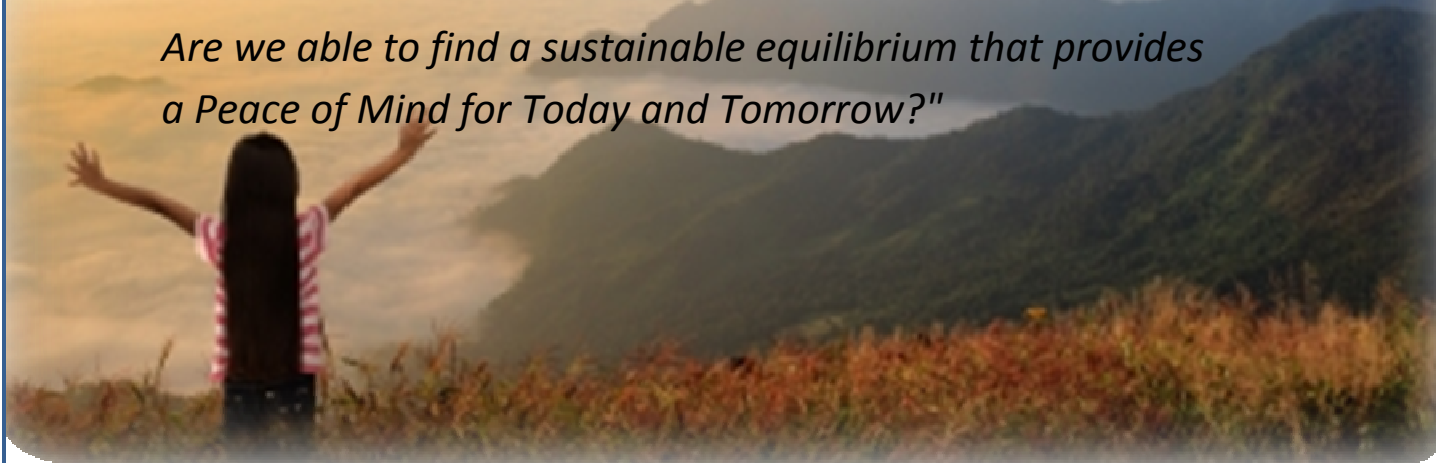

19 – 20 June 2014

Shangri-La Rasa Sentosa Resort, Singapore

“Healthcare and Retirement financing are important issues that touches everyone’s lives.

In many Asian countries including Singapore, the challenge of an aging population, higher life expectancy and rising expectation on the quality of life increases the cost of healthcare and retirement financing. This poses a challenge to policy makers, insurers, reinsurers and healthcare providers.

Are we able to find a sustainable equilibrium that provides a Peace of Mind for Today and Tomorrow?”
